

2017 Communication Technology Update

August E. Grant

J. Rion McKissick Professor of Journalism

University of South Carolina

Presented at: *TFI Communications Technology & Asset Valuation Conference* • January 26-27, 2017, Austin, Texas

CES Eye Candy: VR and AR

CES Eye Candy: Automotive

Virtual Reality—A Closer Look

- Traditional applications
 - Training
 - Architecture
- Emerging markets
 - Gaming **
 - Entertainment
 - Journalism/Storytelling

Augmented Reality

- Overlay of images on reality using screens, holograms, etc.
 - Signage
 - Gaming
 - Pokemon Go!
 - Navigation
 - Translation
- Note integration of GPS, networking, storage, user ID, and objective

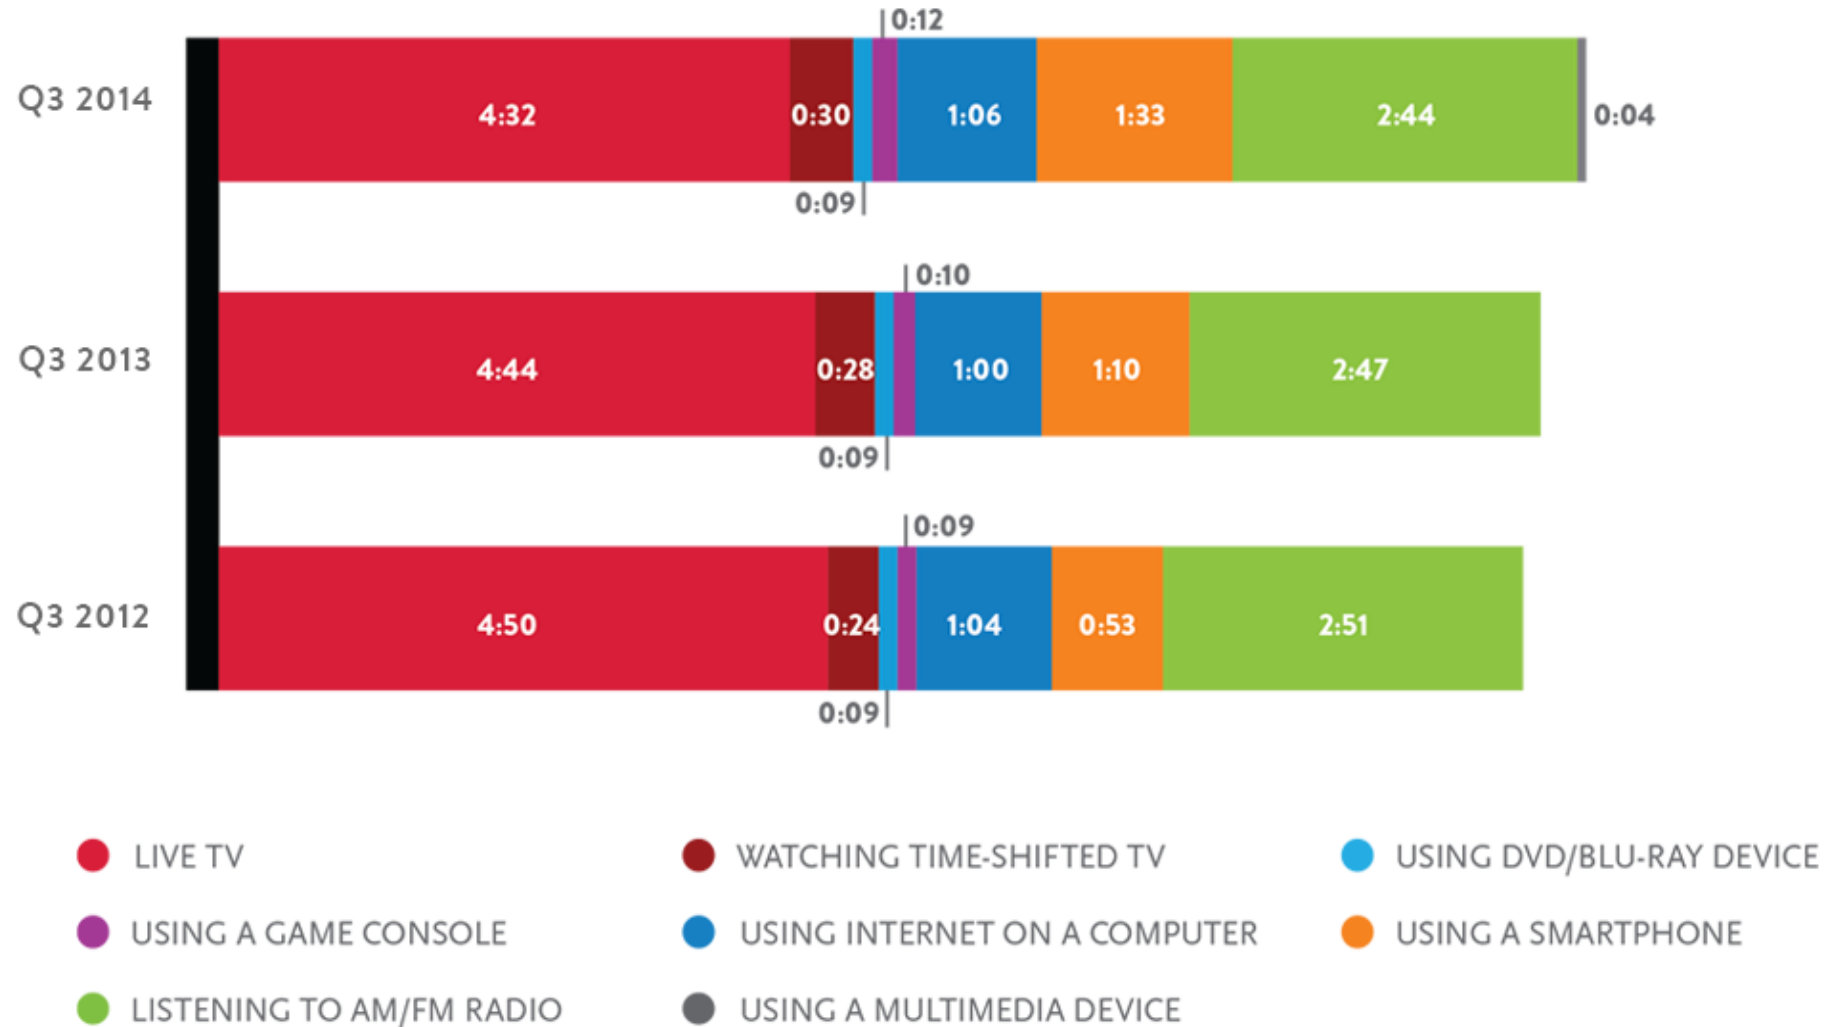

Television Today—Audience

- Little change in 2016
 - Most popular medium in U.S.
 - Most advertising revenue
 - Most different ways to consume

AVERAGE TIME SPENT PER ADULT 18+ PER DAY

Biggest TV Spotlight at CES2017

4K and HDR

Television Update: 4K

- 4K penetration rising
 - 2014: 2%
 - 2015: 4-5%
 - 2016: 10%
- Premium product
- BUT: Viewers can't see the difference
- AND Little 4K content is available

4K Distribution

- Today

- IPTV
- DirecTV

The Netflix logo, featuring the word "NETFLIX" in white, bold, sans-serif capital letters with a black outline, set against a solid red rectangular background.The Amazon Instant Video logo, featuring the word "amazon" in black lowercase letters with a curved arrow underneath, followed by a green play button icon and the words "instant video" in black lowercase letters.

- Coming soon...

- Cable Television

- 2020 or later

- Broadcast

Television Update: HDR

- HDR=High Dynamic Range
 - Superior color
 - Superior contrast ratio
 - More bandwidth needed
- Separate encoding and decoding needed
 - First adoption has been in cinemas
 - Decoding is built in to high-end TVs
 - BUT, will viewers be able to see the difference?

Television Update: OTT

- Multiple services available:

- a la carte:

- HBO GO
 - CBS AllAccess
 - ESPN 3

- Packages

- Sling
 - DirecTV Now
 - (Soon) Every cable operator

DIRECTV
NOW

sling
TELEVISION

CBS ALL ACCESS

New OTT Driver

Internet of Things (IoT) Update

- Potential growth area of consumer electronics
 - Embedded processing power
 - Embedded sensors and displays
- Unorganized industry
 - Multiple OS
 - Multiple network solutions (Bluetooth, NFC, etc.)
 - Internet resources (data, processing, memory, etc.)
 - Authentication/security/privacy

Next IoT Wave: Personal Assistants

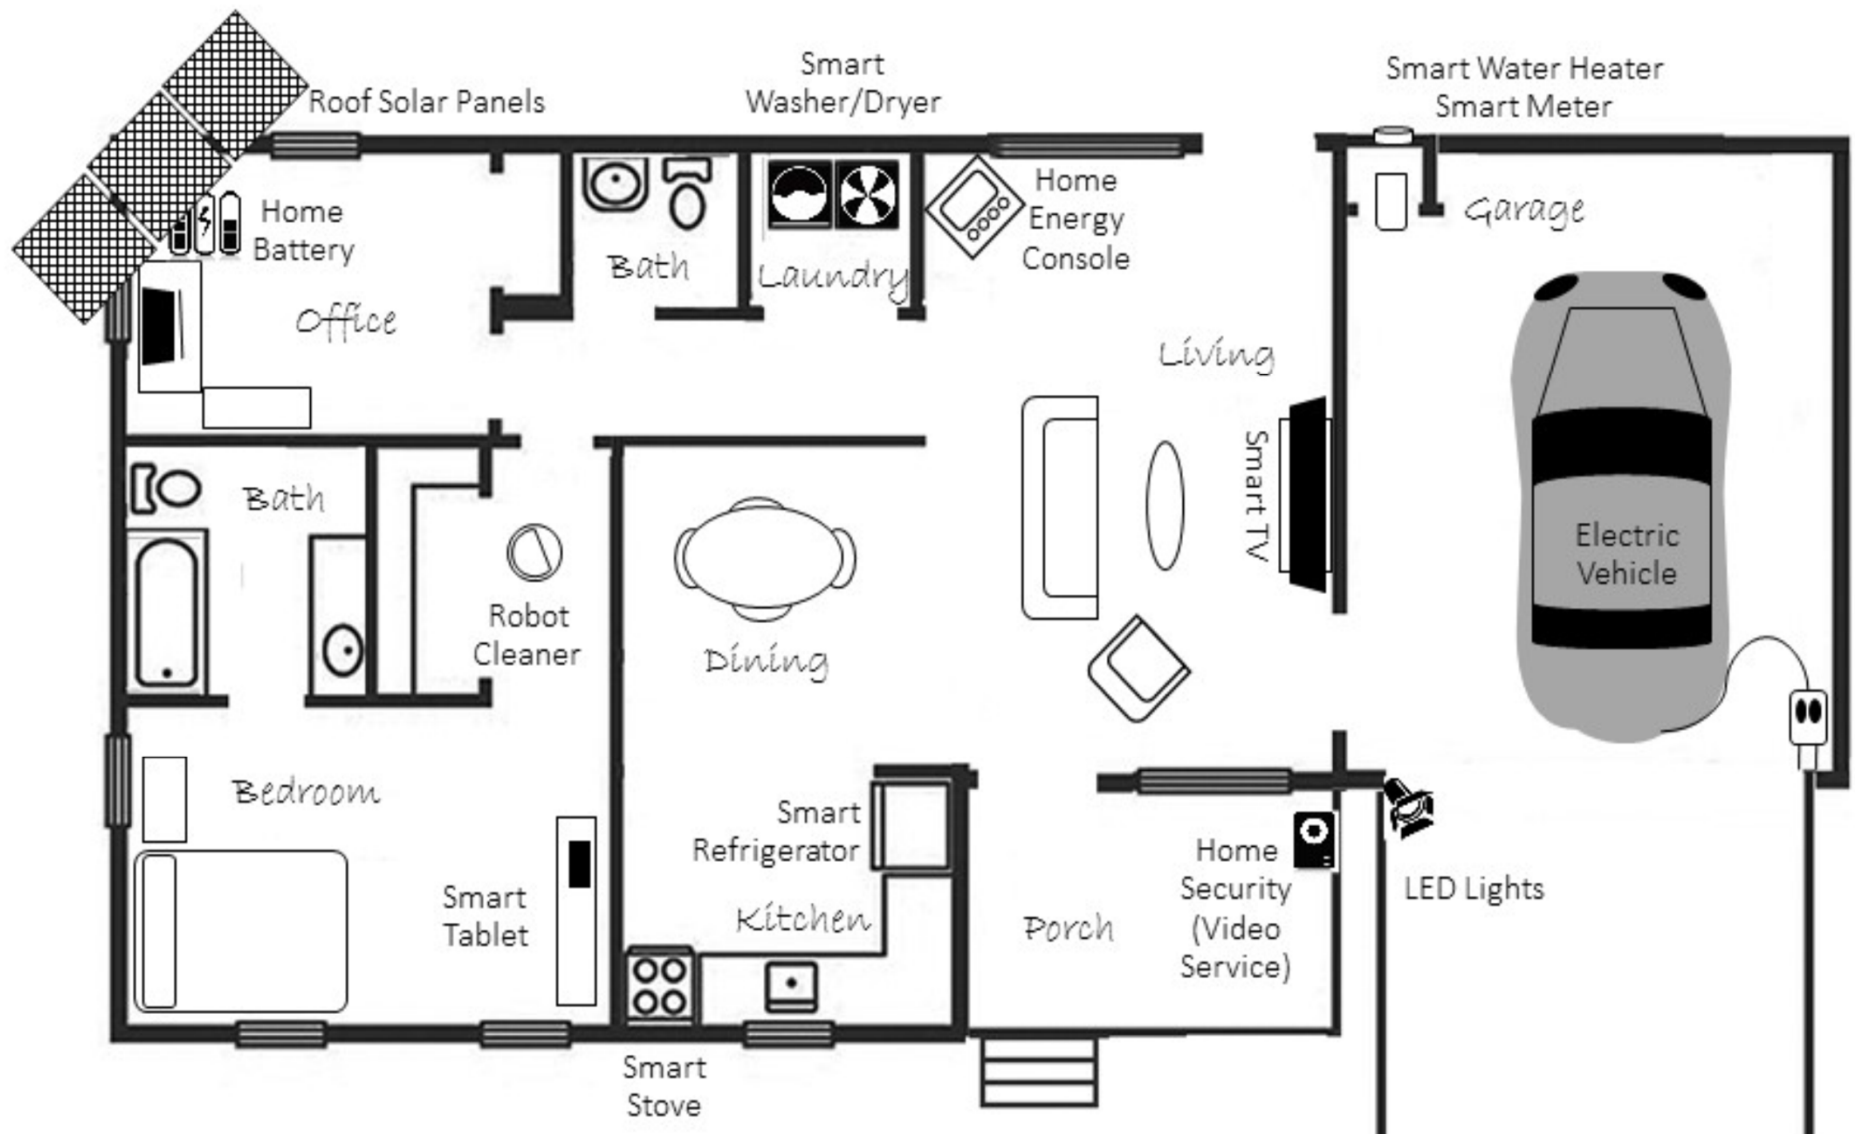

- Google Home and Amazon Alexa

Personal Assistant+ IoT=\$\$\$\$\$

- Two voice response trajectories:
 - Centralized (Alexa and Google Home)
 - Technical standards
 - Central storage
 - Networked features
 - Isolated (Distributed voice input)
 - Multiple standards
 - May or may not be networked
 - Fewer privacy/security concerns
- Either: Marginal increase in network demand

IoT=Smart Houses

One More IoT Issue

- Desirable, direct, and anticipated impacts go together
- Undesirable, indirect, and unanticipated impacts go together
 - Alexa and the pizza...

Networking Update

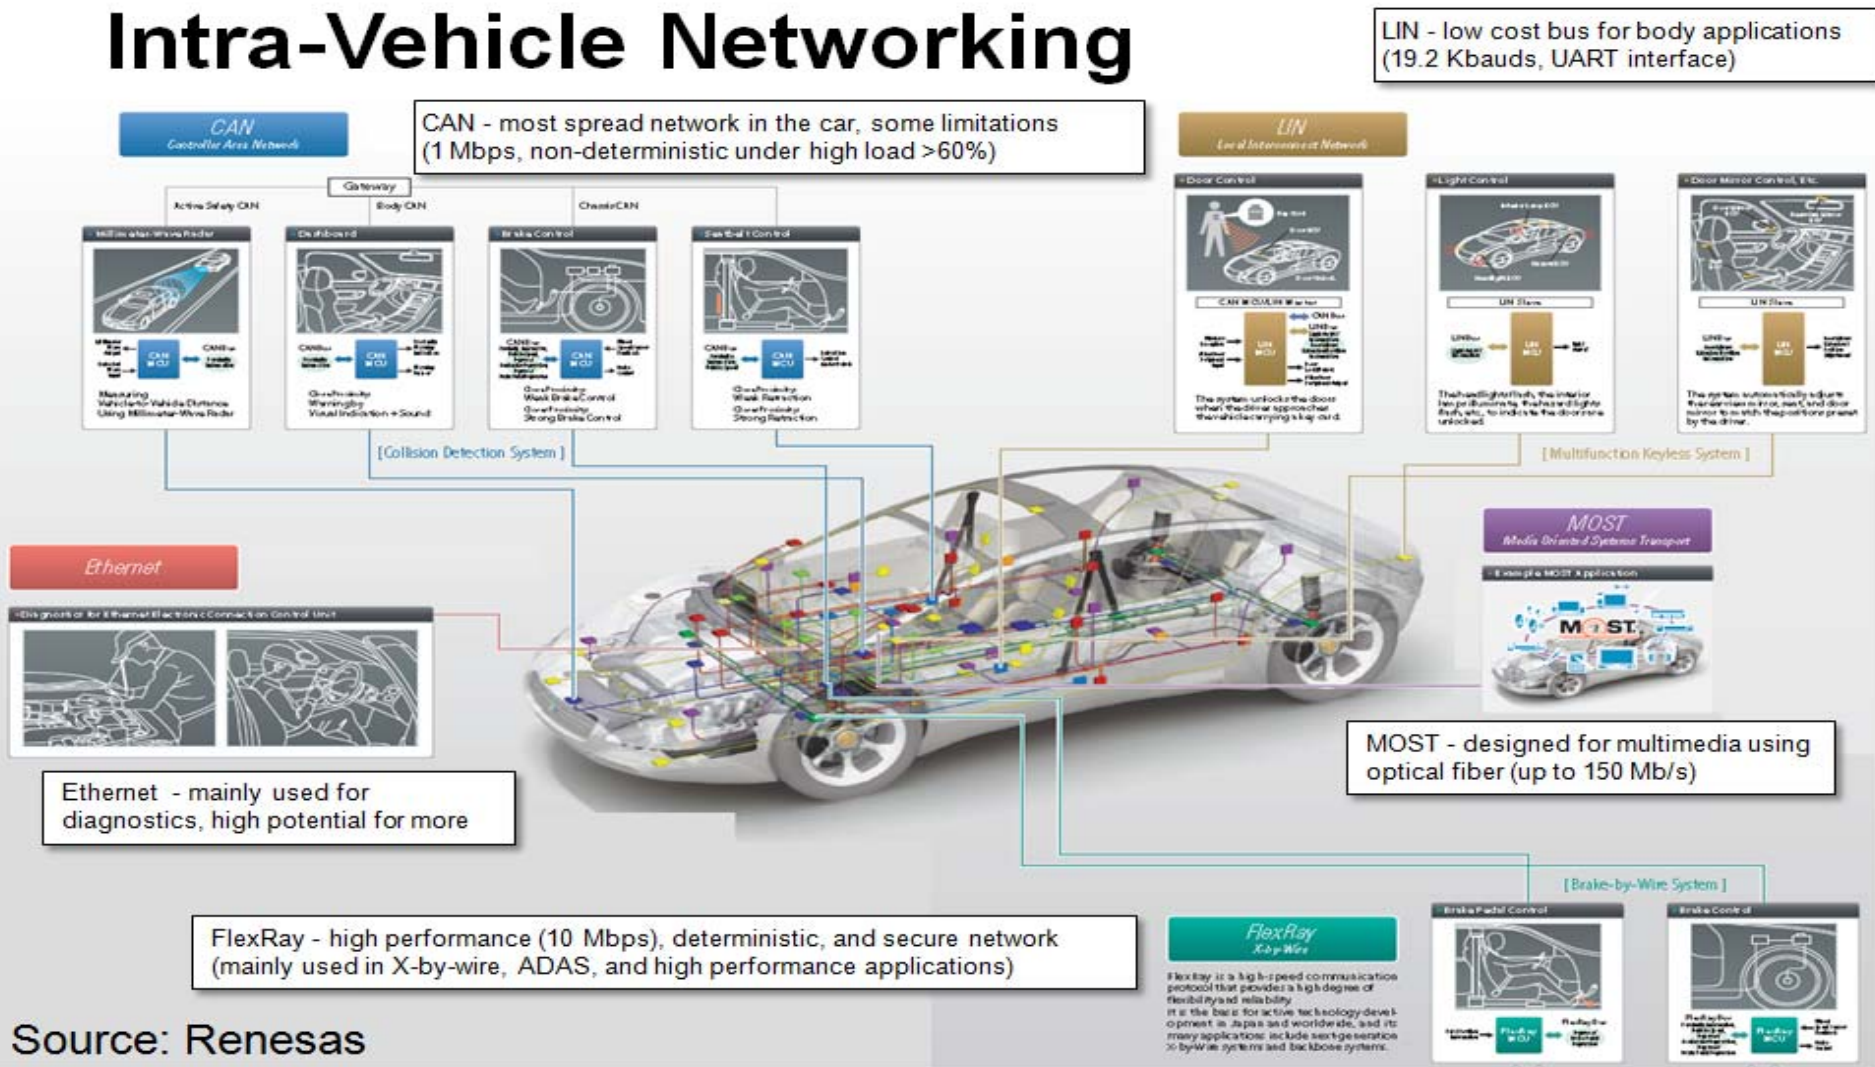

- IoT=New requirements for ISPs
 - Auto connectivity
 - Home security connectivity
 - Mobile device connectivity
 - Personal assistant

Automotive Update

Automotive Update

Intra-Vehicle Networking

Source: Renesas

Automotive Implication

- Biggest user of mobile bandwidth may be automotive industry
 - Navigation
 - Real-time traffic
 - Vehicle to vehicle
 - Entertainment
 - Information
 - Safety
 - Operational efficiency

Telephony Update

- Network capacity indicators
 - Results of FCC Spectrum auction
 - \$18 B instead of \$84 B
 - 84 Mhz instead of 126 Mhz
- Evolution of networks
 - 5G
 - 6G

Computer Update

- Mobile
- Mobile
- Mobile
- Mobile
- Mobile
- Mobile
- Mobile

Mobile Technology Update

- User base stable
 - Tablets
 - Smart phones
- Multiple devices per person
- “Free” WiFi continuing to proliferate
- Shift in advertising spending to mobile media

Video Everywhere...

MiniTrends

- Trump appoints Pai as FCC Chair
- Results of FCC Spectrum Auction
- Demand for Alexa
 - Multiple units in household
- AT&T purchase of Time Warner

Thank you!
